TRACT 32235 - STATE AGENCY - Ouachita and Richland Parishes, Louisiana

A certain tract of land belonging to and not under mineral lease from the Louisiana Department of Wildlife and Fisheries, on December 8, 1999, being more fully described as follows: All of the right, title and interest (being an undivided 50% mineral interest) in and to a certain tract of land owned by and not under mineral lease from the Louisiana Department of Wildlife and Fisheries, situated within the Russell Sage Wildlife Management Area and being more fully described as follows: All of Section 28 lying West of Bayou Lafourche, Township 17 North, Range 5 East, Ouachita and Richland Parishes, Louisiana, excluding beds and bottoms of all navigable waters, containing approximately 280.00 gross acres, being 140.00 net mineral interest acres, as shown outlined in red on a plat on file in the Office of Mineral Resources, Department of Natural Resources.

NOTE: This tract is located within the Russell Sage Wildlife Management Area. Any operations on said tract shall be coordinated with the Louisiana Department of Wildlife and Fisheries. Special Rules and Regulations have been promulgated by the Louisiana Department of Wildlife and Fisheries for the protection of the game and wildlife for some management areas. Any lease awarded by the Board on said tract shall be subject to any applicable Rules and Regulations of said management area. Copies of these Rules and Regulations may be obtained from the Louisiana Department of Wildlife and Fisheries through the Assistant Secretary, Office of Wildlife, upon request.

NOTE: 1. No activities will be allowed without written authorization of the Louisiana Department of Wildlife and Fisheries. All projects will be coordinated and approved by the Russell Sage Wildlife Management Area Supervisor prior to any activities on the wildlife management area.

2. Proposed projects will be evaluated on a case by case basis. Modifications to proposed project features including but not limited to access routes, well sites, flowlines and appurtenant structures may be required by the Louisiana Department of Wildlife and Fisheries.

3. Compliance with the Russell Sage Management Area and mineral regulations will be required unless otherwise specified by the Department.

4. Compensatory mitigation will be required to offset unavoidable habitat impacts.

5. Removal of all structures, facilities and equipment will be required within 120 days of abandonment unless otherwise agreed to by the Department.

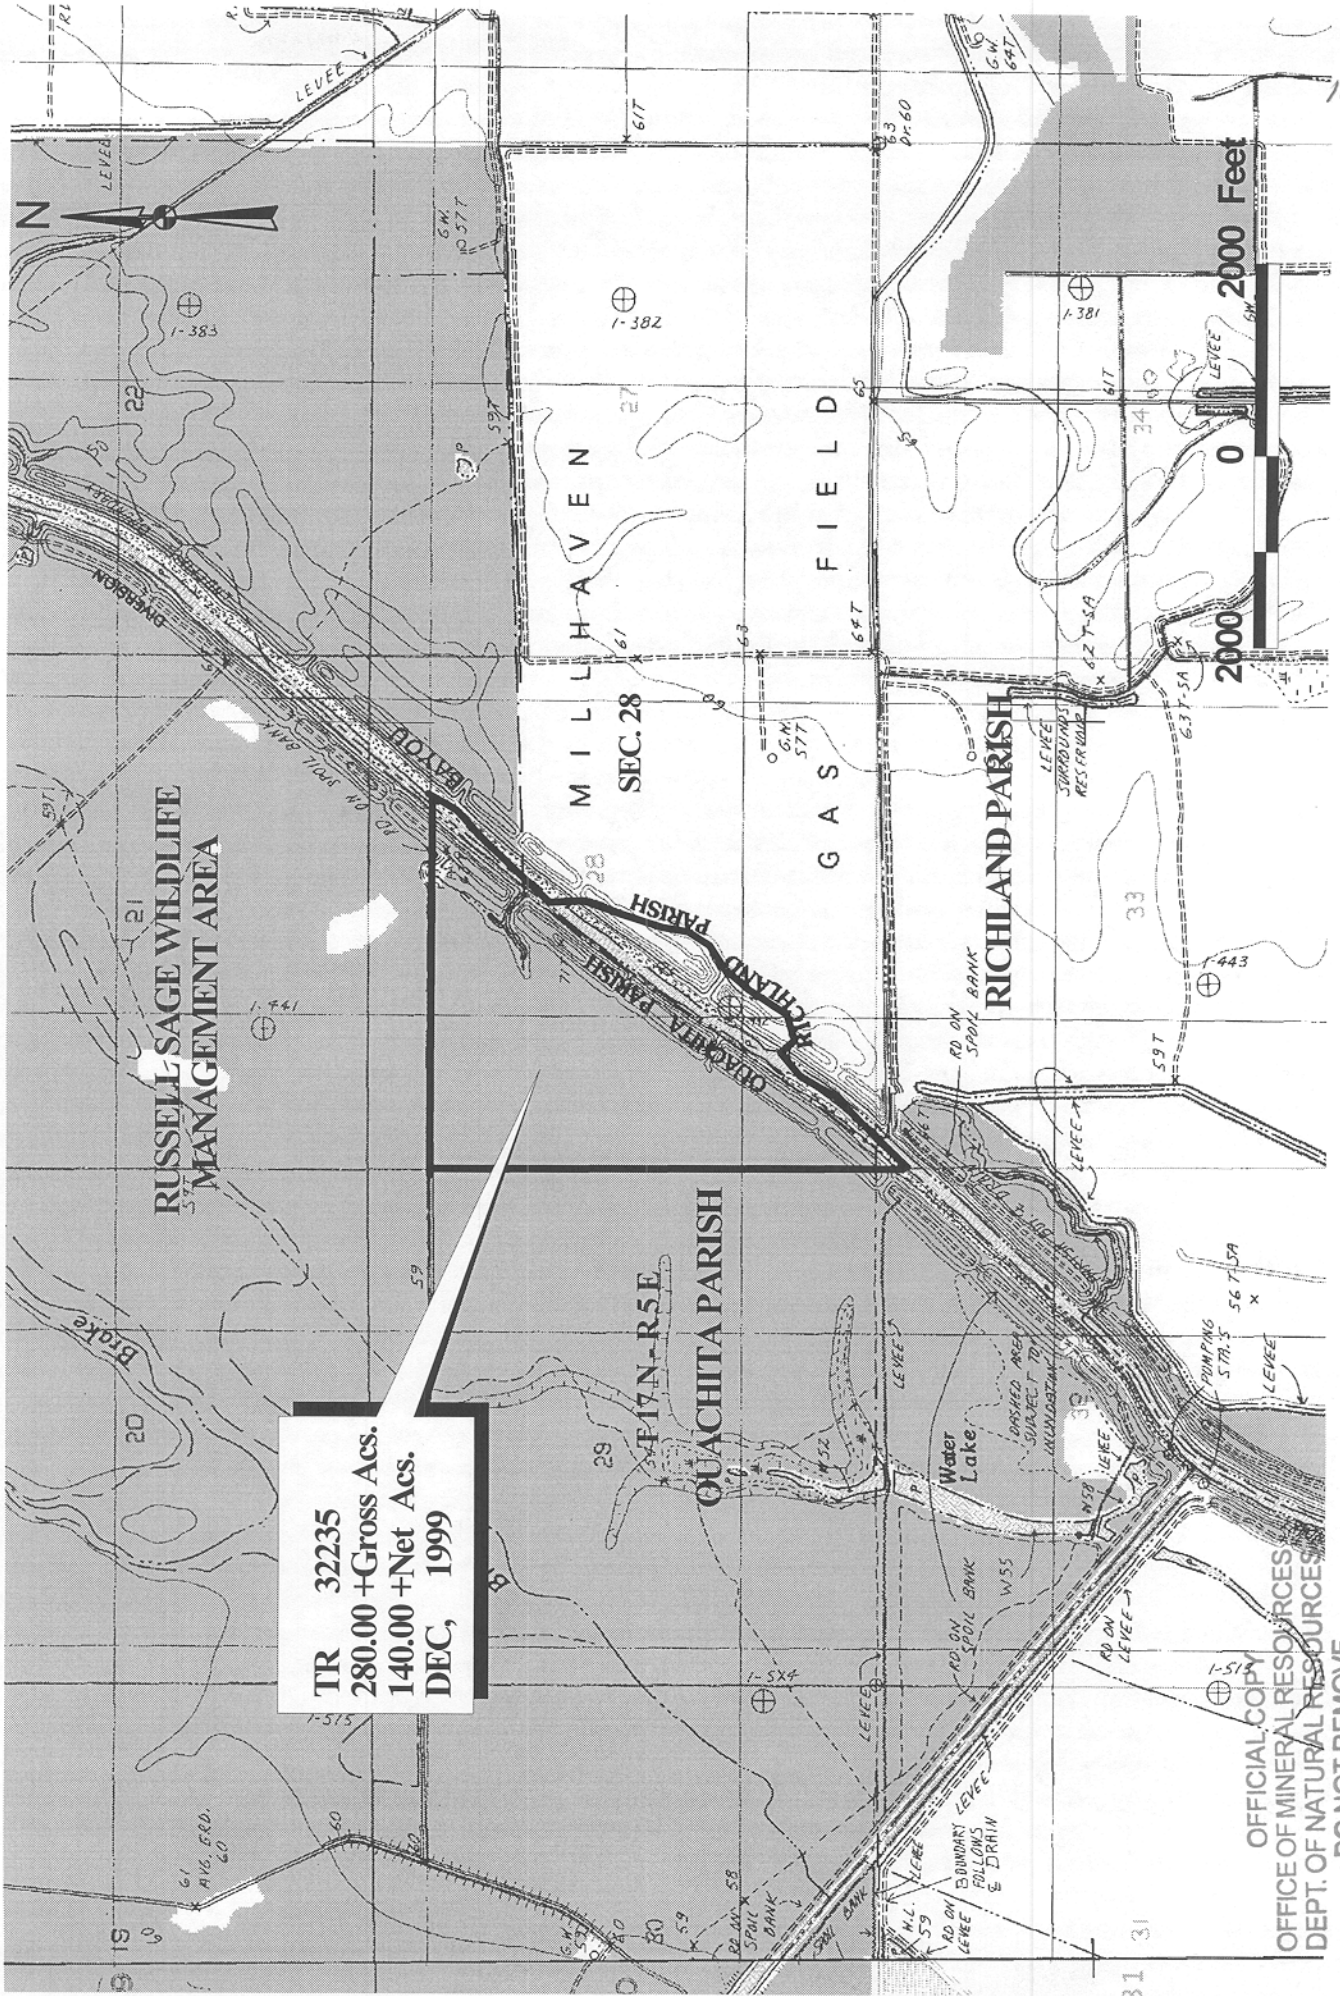

6. No activities will be allowed during the hunting season unless approved by the Department.

7. Prior to submitting applications for wetland permits to Federal and State permitting agencies, the lease holder shall coordinate project details with the Department.

NOTE: The Department of Wildlife and Fisheries requires a minimum bonus of \$150.00 per acre and minimum royalty of 25 percent for this tract to be awarded a lease.

Applicant: Cypress Energy Corporation to Agency and by Resolution of the Louisiana Department of Wildlife and Fisheries authorizing the Mineral Board to act in its behalf.
